Product Description

Make an illuminated statement with dazzling patterns. Or fill an entire ceiling with magical LED light. Blackjack Lighting's seraph Modular System is a way to create custom fixtures of virtually any size with in-stock items.

Design

- Linear system comes with fixture spacers for proper alignment of modules and to allow electrical and dimming connections between modules
- Composed of two, three, or four Seraph Square Modules
- Available in Polished Chrome or Matte Black with matching cord finishes
- 12' standard cord lengths
- No cutting of cord required
- adjustable grippers allow easy cord height adjustment

Light

- LED color temperature: 2700K
- Replaceable light source
- Color Rendering Index: 90 CRI

Controls

- 120-277 VAC 50/60Hz input
- 0-10V dimmable
